To the Shareholders of  
Boustead Singapore Limited

13 July 2010

Dear Shareholders,

#### THE PROPOSED RENEWAL OF THE SHARE BUY-BACK MANDATE

---

#### 1. INTRODUCTION

- 1.1. Shareholders of the Company had at an EGM held on 28 July 2009 granted their approval for the Share Buy-Back Mandate. Further details of the Company's Share purchases pursuant to this Share Buy-Back Mandate are set out in paragraph 10.
- 1.2. The Directors propose to convene an EGM to seek the approval of Shareholders for the proposed renewal of the Share Buy-Back Mandate to allow the Company to purchase its issued Shares in the capital of the Company.
- 1.3. The purpose of this Circular is to explain the reasons for, and to provide Shareholders with information relating to, the proposal set out above which will be tabled at the EGM.

#### 2. RATIONALE FOR AND BENEFIT OF THE SHARE BUY-BACK MANDATE

- 2.1. The Directors and management are constantly seeking to increase Shareholders' value and to improve, *inter alia*, the return on equity of the Group. The proposed Share Buy-Back Mandate will give the Directors the flexibility to purchase or acquire Shares if and when the circumstances permit. Share purchases or acquisitions provide the Company with a relatively convenient, expedient and cost efficient mechanism to facilitate the return of surplus funds over and above its ordinary capital requirements. It is a requirement under the Companies Act that a company that wishes to purchase or otherwise acquire its own shares should obtain the approval of its shareholders at a general meeting of its shareholders. The Directors further believe that Share purchases or acquisitions by the Company will help mitigate short-term market volatility in the Company's Share price, offset the effects of short-term speculation and bolster Shareholder confidence. The Share purchases or acquisitions will also allow the Directors to exercise control over the Company's share structure with a view to enhancing the EPS and/or NTA per Share of the Company.
- 2.2. The purchase or acquisition of Shares will only be undertaken if it can benefit the Company and Shareholders. No purchase or acquisition of Shares will be made in circumstances which would have or may have a material adverse effect on the liquidity and working capital of the Group and the Company.

### 3. AUTHORITY AND LIMITATIONS

- 3.1. The authority and limitations placed on purchases or acquisitions of Shares by the Company under the proposed Share Buy-Back Mandate, if approved at the EGM, are summarised below:

#### 3.1.1. Maximum number of Shares

Only Shares which are issued and fully paid-up may be purchased or acquired by the Company. The total number of Shares that may be purchased or acquired by the Company pursuant to the Share Buy-Back Mandate is limited to that number of Shares representing not more than 10% of the issued Shares as at the date of the EGM at which the Share Buy-Back Mandate is approved (the “**Approval Date**”). For illustrative purposes only, based on 505,406,524 Shares in issue (excluding 10,539,000 Shares held in treasury) as at the Latest Practicable Date and assuming no further Shares are issued, and no further Shares are purchased or acquired by the Company and held as treasury shares, on or prior to the EGM, not more than 50,540,652 Shares (representing 10% of the Shares in issue as at that date excluding treasury shares) may be purchased or acquired by the Company pursuant to the proposed Share Buy-Back Mandate.

#### 3.1.2. Duration of authority

Purchases or acquisitions of Shares may be made, at any time and from time to time, from the Approval Date up to the earlier of:

- (1) the date on which the next annual general meeting of the Company is held;
- (2) the date on which the next annual general meeting of the Company is required by law to be held; or
- (3) the date on which the authority contained in the Share Buy-Back Mandate is varied or revoked.

#### 3.1.3. Manner of purchases or acquisitions of Shares

Purchases or acquisitions of Shares may be made by way of:

- (1) on-market purchases on the SGX-ST (the “**Market Purchases**”), transacted on the SGX-ST through the SGX-ST’s Central Limit Order Book (CLOB) trading system or, as the case may be, any other stock exchange on which the Shares may for the time being be listed and quoted, through one or more duly licensed stockbrokers appointed by the Company for the purpose; and/or
- (2) off-market purchases (the “**Off-Market Purchases**”) effected pursuant to an equal access scheme (as defined in section 76C of the Companies Act). The Directors may impose such terms and conditions which are consistent with the Share Buy-Back Mandate, the Listing Rules and the Companies Act, as they consider fit in the interests of the Company in connection with or in relation to Off-Market Purchase schemes. The Off-Market Purchase scheme must, however, satisfy the following conditions:
  - (a) offers made for the purchase or acquisition of issued shares shall be made to every person who holds issued shares to purchase or acquire the same percentage of their issued shares;
  - (b) all of those persons shall be given a reasonable opportunity to accept the offers made; and

- (c) the terms of all the offers are the same, except that there shall be disregarded:
  - (i) differences in consideration attributable to the fact that offers may relate to shares with different accrued dividend entitlements;
  - (ii) (if applicable) differences in consideration attributable to the fact that offers relate to shares with different amounts remaining unpaid; and
  - (iii) differences in the offers introduced solely to ensure that each person is left with a whole number of shares.

#### 3.1.4. Listing Rules

In addition, in accordance with Listing Rules, in making an Off-Market Purchase, the Company must issue an offer document to all Shareholders which must contain at least the following information:

- (1) the terms and conditions of the offer;
- (2) the period and procedures for acceptances;
- (3) the reasons for the proposed share buy-back;
- (4) the consequences, if any, of share buy-backs by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (5) whether the share buy-back, if made, could have any effect on the listing of the shares on the SGX-ST; and
- (6) details of any share buy-back made by the Company in the previous 12 months (whether Market Purchases or Off-Market Purchases), giving the total number of shares purchased, the purchase price per share or the highest and lowest prices paid for the purchases, where relevant, and the total consideration paid for the purchases.

#### 3.1.5. Maximum Purchase Price

The purchase price (excluding brokerage, stamp duties, applicable goods and services tax and other related expenses) to be paid for the Shares will be determined by the Directors. However, the purchase price must not exceed:

- (1) in the case of a Market Purchase, 105% of the Average Closing Price (as defined hereinafter); and
- (2) in the case of an Off-Market Purchase pursuant to an equal access scheme, 120% of the Average Closing Price,

(the “**Maximum Price**”) in either case, excluding related expenses of the purchase.

For the above purposes:

*“Average Closing Price” means the average of the closing market prices of the Shares over the last 5 Market Days, on which transactions in the Shares were recorded, immediately preceding the day of the Market Purchase by the Company, or as the case may be, the day of the making of the offer pursuant to the Off-Market Purchase, and deemed to be adjusted for any corporate action that occurs after such 5-Market Day period;*

*“day of the making of the offer” means the day on which the Company announces its intention to make an offer for the purchase of Shares from Shareholders, stating the purchase price (which shall not be more than the Maximum Price calculated on the foregoing basis) for each Share and the relevant terms of the equal access scheme for effecting the Off-Market Purchase.*

#### **4. STATUS OF PURCHASED OR ACQUIRED SHARES**

- 4.1. A Share purchased or acquired by the Company may either be held in treasury or cancelled immediately on purchase or acquisition. Unless held in treasury in accordance with the Companies Act, all Shares purchased or acquired by the Company and cancelled will be automatically delisted by the SGX-ST, and certificates in respect thereof will be cancelled and destroyed by the Company as soon as reasonably practicable following settlement of any such purchase and all rights and privileges attached to such Shares will expire on cancellation. This means that the Company’s issued share capital will be diminished by the total purchase price paid by the Company for the Shares.
- 4.2. Where Shares are held in treasury, the Company shall be entered in the register as the member holding such Shares. The total aggregate number of all Shares, whether ordinary or otherwise, of Shares held in treasury shall not exceed 10% of the total number of Shares held in that class. No rights and privileges shall be attached to any Shares held in treasury. The Company may sell any of such Shares for cash, transfer any such Shares for the purpose of or pursuant to an employee’s share scheme, transfer any such Shares as consideration for the acquisition of shares in or assets of another company or assets of any persons, cancel any such Shares or sell, transfer or otherwise use such Shares as may be permitted by law.

#### **5. SOURCE OF FUNDS**

- 5.1. The Company may only apply funds for Share purchases as provided in the Articles and in accordance with the applicable laws in Singapore. Only funds legally available for purchasing Shares in accordance with the Companies Act shall be utilised. Under the Companies Act, any purchase of the Shares may be made out of the Company’s distributable profits which are available for payment as dividends or using capital if the Company is solvent.
- 5.2. The Company intends to use internal resources and/or external borrowings to finance the Company’s purchase or acquisition of its Shares. The Directors do not intend to exercise the Share Buy-Back Mandate to such an extent as would have a material adverse effect on the working capital requirements of the Company or the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

#### **6. FINANCIAL EFFECTS**

- 6.1. If the purchased or acquired Shares are cancelled, the issued share capital of the Company will be reduced by the corresponding total purchase price of the Shares purchased or acquired by the Company. The consideration to be paid by the Company for the purchase or acquisition of Shares will correspondingly reduce the amount available for the distribution of cash dividends by the Company. If, on the other hand, the purchased or acquired Shares are not cancelled but held in treasury, then there is no change in the issued share capital of the Company. However, for the purposes of demonstrating the financial effects on the Shares, we have excluded Shares held in treasury from the issued capital as such Shares do not have, *inter alia*, any entitlement to dividends or voting rights. These financial effects are as illustrated below.

- 6.2. The financial effects on the Group and the Company arising from Share Buy-Back will depend on, *inter alia*, the number of Shares purchased or acquired and the price paid for such Shares, the manner in which the purchase or acquisition is funded and whether the Shares are cancelled or held in treasury.
- 6.3. For illustrative purposes only, assuming that the Company had purchased 50,540,652 Shares, representing 10% of the Shares in issue as at the Latest Practicable Date (excluding Shares held in treasury), the financial effects on the audited financial statements of the Group and the Company for FY2010 would have been as follows:

6.3.1. Market Purchase

**For illustrative purposes only:**

**Where the Shares purchased or acquired are cancelled**, in a Market Purchase, assuming that the Company purchases or acquires 50,540,652 Shares (representing 10% of the total issued share capital of the Company as at the Latest Practicable Date), which is the maximum number of Shares the Company is able to purchase or acquire under and during the duration of the Share Buy-Back Mandate at the Maximum Price of S\$0.84 per Share, which is 5% above the Average Closing Price of S\$0.80 per Share as at the Latest Practicable Date, the maximum amount of funds required is approximately S\$43 million.

*Notes:*

- (1) NTA equals share capital, shares held in treasury and reserves less goodwill and other intangible assets.
- (2) Total borrowings refer to borrowings from financial institutions.
- (3) As at the Latest Practicable Date.
- (4) EPS equals profit attributable to shareholders divided by the weighted average number of ordinary shares in issue. Profit attributable to shareholders after the Share Buy-Back has been adjusted by the notional cost of funds at the interest rate of 0.62% per annum.
- (5) Gearing ratio equals total borrowings divided by share capital, shares held in treasury and reserves.
- (6) Current ratio equals current assets divided by current liabilities.

As at 31 March 2010, the Group and the Company had cash and bank balances of approximately S\$223 million and S\$74 million, respectively. In order to effect a purchase of up to 50,540,652 Shares at the Maximum Price computed as at the Latest Practicable Date, cash reserves from the Group of S\$49 million will be required. The Company has sufficient cash and bank balances to finance the purchase or acquisition.

As illustrated above, the Share Buy-Back will have the effect of reducing the working capital and the NTA of both the Group and the Company by the purchase price of the Shares purchased and the related cost of funds. The consolidated NTA per Share of the Group as at 31 March 2010 (adjusted for the number of issued Shares as at the Latest Practicable Date) will also decrease from 41.5 cents to 35.3 cents.

Assuming that the Off-Market Purchase had taken place on 1 April 2009, the consolidated basic earnings per Share of the Group (adjusted for the related cost of funds) for financial year ended 31 March 2010 would be increased from 8.5 cents to 9.4 cents per Share as a result of the reduction in the number of issued Shares.

- 6.4. **Shareholders should note that the financial effects set out above, based on the respective aforementioned assumptions, are for illustration purposes only. In particular, it is important to note that the above analysis is based on historical FY2010 numbers, and are not necessarily representative of future financial performance. In addition, the actual impact will depend on the actual number and price of Shares to be acquired or purchased by the Company, and whether the Shares to be acquired or purchased are cancelled or held in treasury.**
- 6.5. Share Buy-Backs will only be made in circumstances where it is considered to be in the best interests of the Company. It should be noted that Share Buy-Backs may not be carried out to the full 10% as mandated. Further, the Directors do not intend to exercise the Share Buy-Back Mandate to such an extent that would, or in circumstances that might, result in a material adverse effect on the financial position of the Group or the Company, or result in the Company being delisted from the SGX-ST.
- 6.6. **Shareholders who are in doubt as to their respective tax positions or any tax implications arising from the Share Buy-Back Mandate or who may be subject to tax in a jurisdiction other than Singapore should consult their own professional advisers.**

## 7. REPORTING REQUIREMENTS

- 7.1. The Companies Act and the Listing Rules require the Company to make reports in relation to the Share Buy-Back Mandate as follows:
  - 7.1.1. Within 30 days of the passing of a Shareholders' resolution to approve purchases of Shares, the Company must lodge a copy of such resolution with the Accounting & Corporate Regulatory Authority ("**ACRA**");
  - 7.1.2. The Company must notify the ACRA, within 30 days of a purchase of Shares on the SGX-ST or otherwise. Such notification in the form as may be prescribed by the ACRA shall include details of the date of the repurchase, the total number of Shares purchased by the Company, the number of Shares cancelled, the number of Shares held as treasury shares, the Company's issued share capital before the purchase of Shares, the Company's issued share capital after the purchase of Shares, the amount of consideration paid by the Company for the purchase, whether the Shares were purchased out of profits or the capital of the Company and such other particulars as may be required;
  - 7.1.3. Purchases of Shares must be reported to the SGX-ST in the forms prescribed by the Listing Rules and announced to the public in the case of Market Purchases, not later than 9.00 a.m. on the Market Day following the day of purchase of any of its Shares and in the case of Off-Market Purchases, not later than 9.00 a.m. on the second Market Day after the close of acceptances of the offer made by the Company; and

- 7.1.4. When seeking the approval of Shareholders for the renewal of the Share Buy-Back Mandate, the Company is required to disclose details pertaining to purchases of Shares made by the Company during the previous 12 months, including the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such purchases of Shares, and where relevant, the total consideration paid for such purchases. Further details of the Company's Share purchases in the last 12 months pursuant to the previous Share Buy-Back Mandate are set out in paragraph 10.

## 8. SUSPENSION OF BUY-BACK OF SHARES

While the Listing Rules do not expressly prohibit any purchase of shares by a listed company during any particular time and times, because the listed company would be regarded as an "insider" in relation to any proposed purchase or acquisition of its issued Shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the proposed Share Buy-Back Mandate at any time after an event of a price sensitive nature has occurred or has been the subject of a decision until such price sensitive information has been publicly announced. In particular, in line with the best practices guide on securities dealings issued by the SGX-ST, **the Company will not purchase or acquire any Shares during the period commencing two weeks before the announcement of the Company's financial statements for each of the first three quarters of its financial year, or one month before its annual results, and ending on the date of announcement of the relevant results.**

## 9. LISTING STATUS

- 9.1. The Listing Rules require a listed company to ensure that at least 10% of any class of its listed securities is at all times held by public shareholders. The Listing Rules defines "public" as persons other than the directors, chief executive officer, substantial shareholders, or controlling shareholders of the company and its subsidiaries, as well as the associates of such persons.
- 9.2. As at the Latest Practicable Date, 204,065,800 Shares representing 40.55% of the Shares (excluding treasury shares) of the Company are held in the hands of the public by an aggregate of 2,880 Shareholders. Assuming that the Company purchases the maximum of 10% of its Shares from such public Shareholders, the resultant percentage of the issued Shares held by public Shareholders would be reduced to approximately 33.94%. Accordingly, the Directors are of the view that there is, at present, a sufficient number of the Shares in issue held by public Shareholders that would permit the Company to potentially undertake purchases of the Shares through Market Purchases up to the full 10% limit pursuant to the proposed Share Buy-Back Mandate without affecting adversely the listing status of the Shares on the SGX-ST, and that the number of Shares remaining in the hands of the public will not fall to such a level as to cause market illiquidity or adversely affect orderly trading of the Shares.
- 9.3. As at the Latest Practicable Date, the Company has no securities apart from its Shares listed on the SGX-ST.

## 10. LAST 12 MONTHS

In the last 12 months preceding the Latest Practicable Date, the Company had purchased 1,039,000 Shares by way of Market Purchases pursuant to the Share Buy-Back Mandate granted at the EGM held on 28 July 2009. The highest and lowest price paid was S\$0.74 and S\$0.72 per Share respectively. The total consideration paid for all of the purchases was S\$764,449.

## 11. TAKE-OVER CODE IMPLICATION

- 11.1. Pursuant to Appendix 2 of the Take-over Code (“**Appendix 2**”), an increase of a Shareholder’s proportionate interest in the voting capital of the Company as a result of any purchase or acquisition by the Company of the Shares will be treated as an acquisition for the purposes of Rule 14 of the Take-over Code (“**Rule 14**”). If such increase results in the change in control, or as a result of such increase, a Shareholder or group of Shareholders acting in concert obtains or consolidates control of the Company, such Shareholder or group of Shareholders acting in concert could become obliged to make a takeover offer for the Company under Rule 14.
- 11.2. Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company, to obtain or consolidate control of that company. Unless the contrary is established, the following persons will be presumed to be acting in concert, namely, (a) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts), and (b) a company, its parent, subsidiaries and fellow subsidiaries, and their associated companies and companies of which such companies are associated companies, all with each other. For this purpose, ownership or control of at least 20% but not more than 50% of the voting rights of a company will be regarded as the test of associated company status.
- 11.3. The circumstances under which Shareholders, including Directors and persons acting in concert with them, respectively, will incur an obligation to make a takeover offer after a purchase or acquisition of Shares by the Company are set out in Rule 14 and Appendix 2.
- 11.4. The effect of Rule 14 and Appendix 2 is that, unless exempted (or if exempted, such exemption is subsequently revoked), Directors and persons acting in concert with them will incur an obligation to make a takeover offer under Rule 14 if, as a result of a purchase or acquisition of Shares by the Company:
  - 11.4.1. the voting rights of such Directors and their concert parties would increase to 30% or more; or
  - 11.4.2. if the voting rights of such Directors and their concert parties fall between 30% and 50% of the Company’s voting rights, the voting rights of such Directors and their concert parties would increase by more than 1% in any period of six months.
- 11.5. Under Appendix 2, a Shareholder and persons acting in concert with him will incur an obligation to make a takeover offer after a share buy-back if, *inter alia*, their voting rights increase to 30% or more as a result of a share buy-back by the Company and they acquire any Shares between the date of the notice of resolution to authorise the Share Buy-Back Mandate and the next annual general meeting of the Company, or, if they already hold between 30% and 50% of the Company’s voting rights and as a result of a share buy-back by the Company their voting rights increase by more than 1% in any period of six months and they acquire ordinary shares between the date of notice of resolution to authorise the Share Buy-Back Mandate and the next annual general meeting of the Company.
- 11.6. Under Appendix 2, a Shareholder, not acting in concert with the Directors will not be required to make a takeover offer under Rule 14 if, as a result of the Company purchasing or acquiring Shares, the voting rights of such Shareholder would increase to 30% or more, or, if such Shareholder holds between 30% to 50% of the Company’s voting rights, the voting rights of such Shareholder would increase by more than 1% in any period of six months. Such Shareholder need not abstain from voting in respect of the resolution authorising the Share Buy-Back Mandate.
- 11.7. As at the Latest Practicable Date, Director and Substantial Shareholder, Mr Wong Fong Fui, Mr Chong Ngien Cheong and their respective concert parties hold 190,303,208 Shares, representing 37.65% of the Company’s issued Share capital.

- 11.8. In the event that the Company undertakes share purchases under the Share Buy-Back Mandate up to the maximum of 10% of the issued share capital of the Company as permitted by the Share Buy-Back Mandate, the aggregate shareholdings and voting rights of Mr Wong Fong Fui and Mr Chong Ngien Cheong would have increased from 37.65% to 41.84%. If this increase were to take place over any 6-month period, the shareholding of Mr Wong Fong Fui and Mr Chong Ngien Cheong would have increased by more than 1%. Consequently, they would be required to make a general offer for the Shares held by other Shareholders pursuant to Rule 14. In order to avoid having to make a general offer in such circumstances, Mr Wong Fong Fui and Mr Chong Ngien Cheong had on 27 May 2010 sought a waiver from having to make a general offer from the SIC in these circumstances.
- 11.9. The Council had on 8 June 2010 granted its approval to exempt Mr Wong Fong Fui and Mr Chong Ngien Cheong (the “**Relevant Parties**”) from the requirement to make a general offer for the Company under Rule 14.1(b) of the Takeover Code in the event that the aggregate percentage of total voting rights of the Relevant Parties and their concert parties increase by more than 1% in any 6-month period as a result of the Company buying back its Shares under the Share Buy-Back Mandate subject to the following conditions:
- 11.9.1. the circular to Shareholders on the resolution to approve the Share Buy-Back Mandate contains advice to the effect that by voting for the resolution, Shareholders are waiving their rights to a general offer at the required price from the Relevant Parties and parties acting in concert with them who, as a result of the Company buying back its Shares, would increase their percentage of total voting rights by more than 1% in any 6-month period; the names of the Relevant Parties and their concert parties and their voting rights at the time of the resolution and after the proposed buy-back under the Share Buy-Back Mandate are disclosed in the same circular;
- 11.9.2. the resolution to approve the Share Buy-Back Mandate is approved by a majority of those Shareholders present and voting at the meeting on a poll who could not become obliged to make an offer as a result of the Share Buy Back under the Share Buy-Back Mandate;
- 11.9.3. the Relevant Parties and their concert parties abstain from voting and/or recommending Shareholders to vote in favour of the resolution to approve the Share Buy-Back Mandate; and
- 11.9.4. the Relevant Parties and their concert parties have not acquired and will not acquire any Shares of the Company between the date on which they know that the announcement of the Share Buy-Back Mandate is imminent and the earlier of:
- (1) the date on which the Share Buy-Back Mandate expires; and
  - (2) the date on which the Company announces it has bought back such number of Company Shares as authorised by the Share Buy-Back Mandate or the date the Company decides to cease buying back its Shares, as the case may be,
- if such acquisitions, taken together with the Shares purchased under the Share Buy-Back Mandate, would cause their aggregate voting rights to increase by more than 1% in the preceding 6 months;
- 11.9.5. if the Company ceases to buy back its Shares and the increase in the aggregate percentage of voting rights held by the Relevant Parties and their concert parties as a result of the Company buying back its Shares at such time is less than 1% in any 6-month period, the Relevant Parties and their concert parties may acquire further voting rights in the Company. However, any increase in their percentage of total voting rights as a result of the Company buying back its own Shares under the Share Buy-Back Mandate will be taken into account together with any voting rights acquired by the Relevant Parties and their concert parties (by whatever means) in determining whether they have increased their aggregate voting rights in the Company by more than 1% in any 6-month period.

- 11.10. Save as disclosed above, the Directors have confirmed that they are not aware of any facts or factors which suggest or imply that any particular person(s) and/or Shareholder(s) are, or may be regarded as, parties acting in concert such that their respective interests in voting shares in the capital of the Company should or ought to be consolidated, and consequences under the Take-over Code would ensue as a result of a Share Buy-Back.
- 11.11. **Shareholders who are in doubt as to whether they would incur any obligation to make a takeover offer as a result of a Share Buy-Back are advised to consult their professional advisers and/or the SIC before they acquire any Shares during the period when the Share Buy-Back Mandate is in force.**
- 11.12. **By voting for the proposed Share Buy-Back Mandate, Shareholders are waiving their rights to a general offer at the required price from Mr Wong Fong Fui, Mr Chong Ngien Cheong and their respective concert parties.**
- 11.13. Mr Wong Fong Fui, Mr Chong Ngien Cheong and their concert parties will abstain from voting in respect of the proposed Share Buy-Back Mandate.
- 11.14. For the purposes of the Takeover Code, Mr Wong Fong Fui and Mr Chong Ngien Cheong are considered to be concert parties by the SIC.
