### **BOUSTEAD RECEIVES MOST TRANSPARENT COMPANY AWARD AT SIAS INVESTORS' CHOICE AWARDS 2010**

**Singapore, 5 October 2010**

The Board of Directors of Boustead Singapore Limited ("Boustead") is pleased to announce that Boustead received the Most Transparent Company Award (Runner-Up) in the Construction Category (the "Award") at the SIAS Investors' Choice Awards 2010 (the "Awards Event") held at the Raffles City Convention Centre.

Organised by the Securities Investors Association (Singapore) ("SIAS") and sponsored by the Singapore Exchange ("SGX"), the Awards Event also celebrated SIAS' 11th Anniversary. The Awards Event gave special recognition to SGX-listed corporations which excelled in corporate governance and transparency, as well as to the best financial journalists.

Boustead received the Award for the second consecutive year. The Award's key selection criteria included clarity, substantiality and timeliness of news releases, degree of media access, frequency of corporate results, availability of segmental information and communication channels. Boustead's selection as the recipient of the Award was based on nominations received from investment analysts, heads of investment research firms, fund managers, financial journalists, as well as retail investors represented by SIAS.

On hand to receive the Award on behalf of Boustead was Executive Director and Group Chief Financial Officer, Mr Loh Kai Keong. Mr Loh said, "We would like to thank SIAS and the Singapore financial community for this prestigious award. It is a great honour to be recognised among Singapore's best corporations for transparency for the second year running. We will continue our efforts in championing good corporate governance practises and transparency."
