PROUD SPONSOR OF INAUGURAL BOUSTEAD GOLF OPEN

Singapore, 28 October 2013 – Mainboard-listed Boustead Singapore Limited (“Boustead”), a progressive global infrastructure-related engineering services and geo-spatial technology group, today announced that its wholly-owned subsidiary, Boustead Projects Pte Ltd (“Boustead Projects”) – a leading specialist in industrial real estate solutions – is the proud sponsor of the inaugural Boustead Golf Open, which is the fifth tournament in the Singapore Professional Golfers’ Association (“SPGA”) Tour for 2013.

The Boustead Golf Open will take place from 29 October to 1 November at the Laguna National Golf & Country Club and be played out on the Masters Course, with three days of competition between 95 professional golfers from Singapore and around the region, followed by a one-day Pro-Am tournament where 90 amateur golfers invited by Boustead Projects will get the privilege to play alongside 30 professional golfers.

Professional golfers who will be competing at the Boustead Golf Open include almost all of the top 10-ranked SPGA golfers in Singapore in 2013 including Mardan Mamat (Singapore’s number one golfer), Quincy Quek and Lam Chih Beng.

Mr Thomas Chu, Managing Director of Boustead Projects said, “We are excited to initiate this relationship with the SPGA by being the proud sponsor of the inaugural Boustead Golf Open, which hopefully will become an regular event in the SPGA Tour calendar. Our support for the Boustead Golf Open is an endorsement of Singapore’s only professional golf body, as well as an indirect contribution to the development of many Singaporean professional golfers whose passion and talent for golf has led them to make a career of it and also to spread the love of golf through coaching and touring.”

Mr Chu added, “I am an avid golfer. Golf has grown in popularity over the years and is a sport that is played by so many business professionals, young and old, as age is no barrier, unlike that for many other sports. It is probably one of the most enjoyable ways to interact with other business professionals and to network. Golf is the world’s most popular individual sport, a game played by 60 million and viewed by more 400 million people globally, hence, our choice to sponsor the Boustead Golf Open.”

The Boustead Golf Open is the first professional golf tournament sponsored under the Boustead Group. Separately, Boustead has been an annual sponsor of The Business Times Corporate Golf League since its inauguration in 2010. Into its fourth year now, The Business Times Corporate Golf League provides corporate golf teams with a platform to compete over six rounds at Singapore’s premier golf courses to decide on the top corporate golf team. The Boustead Golf Open strengthens the Boustead Group’s association with the world’s most popular individual sport.
