**Singapore, 20 July 2016**

The Board of Directors of Boustead Singapore Limited ("Boustead") is pleased to announce that Boustead's Executive Director and Group Chief Financial Officer, Mr Loh Kai Keong has been awarded the Best Chief Financial Officer ("Best CFO") in the mid-cap category (market capitalisation of S\$300 million to S\$1 billion) at the Singapore Corporate Awards 2016 held last night at Resorts World Sentosa.

The Board of Directors would like to congratulate Mr Loh on this achievement and thank him for his unwavering commitment, leadership and contributions to Boustead and its group of companies since he joined in 1999. Under Mr Loh's financial stewardship, Boustead has achieved record financial performance and respectable corporate governance standards.

Mr Loh's selection as the recipient of this prestigious award was made by a panel of judges. The assessment criteria includes transparency of financial reporting, high standards of corporate behaviour, sound accounting practices, commitment to corporate governance consistent with current standards and evolving guidelines, providing advice on strategic direction and being an effective leader of the finance and accounting function. In addition, nominees were also evaluated on their personal and professional qualities, knowledge and experience, and track record and accomplishments.

Launched in 2005 as the umbrella awards for exemplary corporate governance practices for listed companies in Singapore, the Singapore Corporate Awards are organised by the Institute of Singapore Chartered Accountants, Singapore Institute of Directors and The Business Times, and supported by the Accounting & Corporate Regulatory Authority and the Singapore Exchange. The current award partners are Deloitte, EY, Heidrick & Struggles, KPMG and PwC.

The Best CFO is one of the six awards which make up the Singapore Corporate Awards, the others being Best Annual Report, Best Investor Relations, Best Chief Executive Officer, Best Managed Board and Special Recognition Award.
